c) **Qualifier No. 2.-** September 4-11, 2022. Copa Merengue. Santo Domingo, Dominican Republic

This tournament offers team slots for those countries which did not win a team slot in the first qualifier, regardless of whether they won individual slots. The individual slots at this second qualifier can be won by archers from the countries that did not win any individual slots in the first qualifier. A country cannot win more than one individual slot in any category including both qualifiers.

Number of slots:

Category	No. Slots	Concept
Recurve Women	9	6 slots for the top 2 teams of the Olympic Round, including only the countries that did not win team slots in the first qualifier. 3 individual slots for the top 3 places of the “special” Individual Olympic Round, with participation only by the countries that have not won any individual or team slots.
Recurve Men	9	6 slots for the top 2 teams of the Olympic Round, including only the countries that did not win team slots in the first qualifier. 3 individual slots for the top 3 places of the “special” Individual Olympic Round, with participation only by the countries that have not won any individual or team slots.
Compound Women	9	6 slots for the top 2 teams of the Olympic Round, including only the countries that did not win team slots in the first qualifier. 3 individual slots for the top 3 places of the “special” Individual Olympic Round, with participation only by the countries that have not won any individual or team slots.
Compound	9	6 slots for the top 2 teams of the Olympic Round, including only the countries that did not win team slots in the first qualifier.

	3 individual slots for the top 3 places of the “special” Individual Olympic Round, with participation only by the countries that have not won any individual or team slots.
Total	36

- d) At both tournaments, the qualification of slots is for the country, not necessarily for the archers who won them.
- e) Qualification for the Mixed Team events at the Games.
In the mixed team competition both in recurve and compound, participation will include all the countries that have at least one woman and one man participating in one type of bow.
- f) For both qualifiers, each National Federation can register up to 3 athletes in each category for which the federation intends to win slots, be it individual or team.
- g) The National Olympic Committees must send a written confirmation to World Archery Americas informing the number of slots that they will use, within the timeframe which will be informed in due time. In case of returns of slots or vacancies, the slots will be redistributed to the countries that placed in the immediate following positions at the Second Qualifier, as a first option. As a second option, World Archery Americas will determine the countries that will get the vacancies.
- h) World Archery Americas will inform Centro Caribe Sports and to the Organizing Committee of the Central American and Caribbean Sports Games San Salvador 2023 the decision about the possible alternate countries so that the National Olympic Committees are able to do the preliminary and the final registrations within the time limits established by Centro Caribe Sports.

Wild cards

World Archery Americas will also give one invitation slot in each individual category to countries with emerging federations, with the objective of having the largest participation possible from the whole region. Priority will be given to those countries that participated in the qualifiers and did not win slots. Secondly, an invitation slot may be given to a second athlete of a federation that has already won a slot, if it is considered that the level of such athlete makes him/her deserve to compete in the Games.
