Equipment inspection will be run following the program of the official practice. Each team will be called (in the English alphabetical order) and invited by the DoS to the dedicated place for the Equipment inspection in the competition field. All team members should wear their team uniform. Also all spare equipment must be brought to the equipment inspection.

Club archers must go for equipment inspection when their country name is called and invited by the DoS.

During the Equipment inspection we would appreciate if the Team Managers will check the right spelling of their athlete's name as well as the correct date of birth in the archers' list the Judges will be using for the inspection. If something is not correct on the Judges list, please inform the Judges during the equipment inspection and they will take care to inform our Result team.

The athlete numbers will be given before official practice and then the equipment will be checked by the Judges.

When receiving the athlete numbers, we would like each Team Manager to double check that

# EUROPEAN GRAND PRIX BUCHAREST / ROMANIA APRIL 9<sup>TH</sup> – 13<sup>TH</sup>, 2019

each archer has the correct “athlete’s number”.

The athlete’s number must be worn on the archer’s quiver or the thigh facing the waiting line. During the equipment inspection, instructions on the use of the scoring PDA terminals will be carried out if requested. We are kindly asking all the archers and coaches to follow the OC volunteers and Judges’ instructions in order to proceed with nodelays.

In addition, there is also paper score sheet per target, which must be filled in by the athletes themselves. All the athletes on the same target must verify that the correct scores are entered.
