

## Team Lists for the UK Masters

The pairs teams for the UK Masters have been drawn at random, and are displayed below. The teams may be subject to slight alterations depending on any dropouts, during or before, the shoot. If a dropout occurs on the day the team(s) affected will be informed. Incomplete teams will be resolved to a full team for their first match, the method for which will be described at assembly on Saturday.

Teams are encouraged to submit a team name to the organisers before 6.00pm on Saturday. If you wish to submit a team name before Friday evening via email please contact [the.masters@archerygb.org](mailto:the.masters@archerygb.org) stating: Name, Gender, Bowtype, Team number, and the Team name you wish to use. If you are submitting a team name on Friday, or Saturday to the organisers, there will be a form at the registration desk that you will need to complete these details on so it can be changed.

There will be Team Practice, timed at 80s an end, on the field after the conclusion of the 1440 round.

Teams will shoot 4 arrows in 80 seconds (2 arrows per member) like the Mixed-team rules. All divisions except Compound will compete for Set-Points, with the first team to 5 winning a match. Compounds will be based on cumulative scoring over 4 ends. Matches will be shot in accordance with the WA rules for Mixed Team.
