

# BADGER'S SUNBURN LEAGUE

- Ensure that you have downloaded the April Scoresheet from Ianseo (SUN1) ready for the start of this league.
- There is a different score sheet to be downloaded each month and it is imperative that you download and submit the correct one or the system will reject it.
- All scores MUST be witnessed by someone present at the time and location when you shoot your round. They are signing to say they have seen you shoot the round and that what you have recorded is correct.
- When you have shot your round, email your completed & witnessed score sheet to [triplex@philcollins.me.uk](mailto:triplex@philcollins.me.uk) using **SUN SCORE** as your email subject.
- Emails correctly addressed as 3. above will automatically be sent to the scanner for processing.
- Emails to the wrong address, with the wrong email subject or the incorrect score sheet will be automatically rejected for you to try again.
- To submit your score, photograph your score sheet in a **portrait (upright) format** and **send as a .PDF file** in the **smallest format** you can.
- You may submit as many scores as you wish during the month **BUT**, only submit a subsequent score if it is better than your previous submission as it will overwrite previous values.
- All rounds must be shot in accordance with Archery GB's Rules of Shooting so please remember **ONLY 6 Sighter Arrows** prior to commencement of scoring.
- You cannot practice all morning and shoot your round in the afternoon as this constitutes sighter arrows.
- For the same reason, you cannot shoot two rounds on the same day and submit the score for the second round.

If you have any comments or queries, please don't hesitate to contact me and we can then resolve any issues prior to the start on 1<sup>st</sup> April.
