Waterside's catering team will be providing hot and cold drinks along with cakes etc. throughout the weekend.

Given the current Covid circumstances we are anxious to establish whether people are happy to partake of and hot food provided at the event.

To avoid us purchasing food that isn't going to be used, we will only provide hot food for those who indicate that they would like it and for our first post-covid event we are keeping it very simple.

To assist us in this we would ask you to indicate on the form below what, if any, hot food you would like on which day.

**Please ensure that you complete the form for all people on your entry form and return it by 30<sup>th</sup> June at the very latest.**

If no hot food is required, please write **NONE** in each of the relevant boxes.

Please email completed form to [WATO@philcollins.me.uk](mailto:WATO@philcollins.me.uk)

**PLEASE NOTE:** If a completed form is not received with your name on there will be no hot food available for you,
