

Woking Archery Club Open

Covid Safe WA 70/50m Rounds, WRS

12th & 13th June 2021

Woking Archery Club, are delighted to be able to offer Archers a WRS Target competition under the Government's Stage 3 rules. We continue to have to distance and apply Archery GB's Return to Competition Guidelines to the shoot, so things will still be different to what you may be used to. Below we outline what to expect when you arrive, and how the shooting will be organised during the day.

Before you head for the shoot you should consider carefully:

Do you have a high temperature?	Yes/No
Do you have a new, continuous cough?	Yes/No
Do you have a loss of, or change to, your sense of smell or taste?	Yes/No
Are you in a household or bubble with someone who has tested positive for Covid-19 in the past 14 days	Yes/No

If the answer to any of these is **yes**, then **you must not attend the competition.**

Travelling & non-competitors	You can find directions to Woking Archery Club at this link. Find Woking AC. Please travel alone if you can as Spectators, drivers, parents and guardians will be required to stay by/in the car for the duration of the shoot, they are not allowed on the field of play. Candy Schofield (07525 362637), will act as safeguarding contact for any cadets shooting.
Arrival	Please time your arrival after 08:30am.
Parking	Is on the right of the track when you are in the field and along the motorway bund, there's plenty of room so give yourself space to social distance.
Tent Areas	We have lots of room behind the shooting line, but to ensure we can all socially distance we're asking you to pitch your tents on your allocated space along your target's lane edge and with the entrance facing into the lane, this gives around 4m circulation space for each lane with plenty of room to get to the waiting area, see the diagram below. We've extended the lane lines into the tent area to help with this. Please see the Return to Competition Guidelines. The target lanes are 10m wide with 2 targets in each lane with 5m between centres. This allows extra room to circulate between targets in different lanes.
Waiting Area	There is extra room in the waiting area so Archers can socialise between ends while also distancing. Please do not constrict access to the tent circulation space.
Inspection & Registration	The judges will conduct inspections by sight only. Please be ready to present your equipment to the judges when requested. Judges may make spot check on compound bow weights during the event. There is no separate registration as we know you are all AGB members because you entered via the AGB Portal.

PPE, Sanitiser & First Aid	Please provide whatever PPE you feel comfortable with and bring your own hand sanitiser. We will also have sanitiser stations on the field and in the toilets along with antibac wipes. A First Aider will be present, but to avoid cross contamination please bring your own first aid kit for minor injuries. Remember to report all incidents to the organiser.
Food and Drink	We have no food available during the day, so please bring <u>everything</u> you need for the whole day. We <u>do</u> have hot drinks, bottles of water, and a limited selection of chocolate bars available, all at 50p, please remember to bring change. We have paper cups, but please bring your own mugs.
Loos	Are available on site; the gents with a one in, one out basis; the Ladies can go in two at a time, one of the 3 cubicles will be closed. There will be sanitiser and wipes available. The disabled loo is on the Gent's side. Please be patient as the gents will be closed if it is in use.
Shooting Procedure	This will be much as you would normally expect, but with a little more choreography to ensure social distancing. Please keep bows and scopes to the edge of the lane in the waiting area when not in use. First detail archers should remove scopes from the line, do not share.
Scoring etc	<p>Archers on each target should decide who will perform the following roles at the target. Spotter, Checker, Scorer, 2nd Scorer (using AGB's Tablets). Only the scorers should touch the scoreboards/Tablets.</p> <p>When you get to the target you will find 4 marks on the ground, one for each archer to stand on. These are 2m apart so you can maintain social distancing with your target mates and Archers on the adjacent target.</p> <p>When score sheets need to be handed in, they should be signed, use your own pen please, and placed in a box near the scorer's tent/DoS. Please make sure you use a biro rather than a gel pen, as we may be using waterproof paper.</p> <p>We will be marking arrow holes. Archers should only mark and pull their own arrows.</p>
Rubbish	Please take it home!
Documentation	The Target List, Prospectus, & this document are available online at ianseo.net
Organisers & Safeguarding Contact	<p>Mark Preston. Mobi: 07870 672424.</p> <p>Candy Schofield. Mobi: 07525 362637.</p> <p> email: wac.dbl@wokingarchery.club</p>
