4.1. Timing Control system

The Chronotir timing equipment will be used for timing with several displays on the competition field. Another similar system will be used on the practice field.

4.2. Results system

Ianseo is the provider of the results. The scoring in the Qualification and Elimination Round will be done by the archers. One archer will write down the score on the paper score sheet and another archer will score on a terminal. The third/fourth archer verifies that the correct scores are entered. The tablets are used during the Qualifications, Eliminations and Finals, but not during the Bronze and Gold medal matches alternating shooting.

4.3. Rules that apply in this event

4.3.1. Practice on the competition field during byes

Practice on the competition field during byes will be limited to three arrows per end and maximum of three sets for recurve and five ends for compound. 4.3.2. Team members' nomination

A team shall consist of the highest ranked 3 (or 2 in a Mixed Team) athletes from the Qualification Round unless the team manager notifies the Results team in writing at least 1 hour before the start of that round of competition of a substitution of another athlete who competed in the Qualification Round. A Team Manager may be helped by other team officials (such as coaches, physiotherapists, psychologists, etc.). There may not be more than one team official on the field of play for each athlete competing at the time. However, the maximum number of team officials on the field of play at the same time is four. This may be increased by one official per category if the Member Association has athletes competing in more than two categories at the same time.

4.3.4. Archers acting as Coaches

Archers may be acting as coaches during finals, but they need to ask for the new accreditation in time.

- If the score is the same the arrow closest to the centre of the target face shall resolve the tie and if the distance is the same, successive single arrow shoot-offs, until the tie is resolved.
- If both athletes miss the scoring area of the target, both athletes will shoot an additional arrow.

4.4. Rankings

After the end of this event, the Youth Cup Ranking will be prepared and the results obtained during the European Youth Cup in Bucharest will be added to those one obtained in Catez. The awarding of the Youth Cup circuit 2021 will take place immediately after the awarding of the competition.
