Meeting Report

GNAM returned to its normal date in 2022.

65 Archers shot over the 3 days and again, this year we also invited Archers to shoot the shorter Bristol and National rounds, however they were less popular due to being school term time.

At assembly we welcomed all the GNAM first timers individually, with this year about a third present were shooting their first GNAM. The meeting was then formally opened by our well known Results expert and Judge, Robert Potts. Rob had never shot a longbow before and borrowed a longbow to shoot the first arrow. A good effort with the arrow making around 80 yards.

As shooting proceeded, the meeting was sedate and the Judges not necessarily rushing us to and from the targets to score. On some occasions one of the two Judges remained relaxed in the tent and I was deputised as a Judge, presented with a red pen and did a few scorecard corrections. I was not allowed to do line cutters as I did not have the necessary magnifying glass! I am not sure I will be formally taking up Judging just yet! The 'pub quiz' returned with a slightly different format whereby the questions were already on the scoreboards, giving the Archers all day to ponder the answers. Wednesday was a facial recognition round and Sports anagram. Both were apparently quite hard and I don't think anyone answered all the questions. Thursday's was Dingbats and Geography. Again this had the desired effect of getting the Archers to talk to each other and there was most definitely whispering of answers and discussions with each other along the tent line!!!

The opportunity to break records for rounds rarely shot was certainly feature of the meeting and records did fall. Patrick opted to shoot the National and upped his record to 640. Jaspreet Sagoo, Sarah Hubbard and Ralph Barwise also obtained records for the Long National. Jaspreet and Megan Havers claimed records for the Bristol 1 and Double Bristol 2 respectively.

As is usual for the GNAM, we are able to give out Rose awards at the presentation. 19 this year. Too many to name individually, but well done to you all. In addition we extended presentation of the double distance spider awards to Longbows and Barebows after last years' feedback.

Finally Scott Williams claimed his 3rd score for his Longbow GMB and that was also presented on Friday.

Thankyou all for coming and your company and field crew help for 3 days.

If you have any thoughts or comments on the meeting, both good or bad please do get in contact. We want to improve on the atmosphere of the event as well as increasing attendance.

So that brings a close to the 167th GNAM for 2022. We look forward to seeing everyone again in 2023. As the saying goes, bring a friend. Or two...!!!

Tournament Secretary.
