Metric 5 Round

Target 20

20A	Holly Pratt	Exmouth A	B
20B			
20C			
20D			

Further updates and changes can only be found on lanseo.net

We are taking no specific Covid precautions. Everything will be run to the standard that we were running competitions prior to the pandemic. However there may be people on the field that wish to remain cautious. Please respect any requests from target colleagues or others, and for those wanting to be cautious please do not be afraid to ask.

That said, if you are experiencing any symptoms of Covid, we ask that you please stay away. You may want to consider taking a test prior to leaving home.

We will be serving refreshments throughout the day from our new kitchen and Scott will be serving bacon rolls first thing in the morning. We will be happy to make up simple sandwiches for your lunch, but these must be pre-ordered by part way through the first distance. A list of what we can offer will be on display.

We also are trying to be green and will not be using paper cups for Tea and Coffee. If you bring your own mug we will happily fill it for you.

Please try and take your rubbish home with you.

Target lanes will be marked out at 2 metres, this is narrow, so please be respectful of your target colleagues and those adjacent to you when setting up any scopes. Please also setup your tents to allow walkways for those further back on the field.
