 - *The left/right position for matches shall follow the match play chart. The team on the top line of each pair (of the chart) shall shoot on the left-hand side of that match. The target allocation for each round of the competition is the choice of the organisers;*
 - *Both teams shall start each end of their match with the athletes behind the 1m line. The first athlete may only cross the 1m line when the Director of Shooting has given the signal to start the match;*
 - *The athletes in the team shall shoot two arrows each in an order of their own choosing; • One athlete shall occupy the shooting line, while the other athletes remain behind the 1 m line. No more than one athlete at a time shall be in front of the 1m line;*
 - *Wheelchair athletes may stay on the shooting line throughout the match. They indicate that they have finished shooting by raising a hand above the head (see 21. Chapter 21-Para-Archery); • When moving forward to shoot, athletes shall not remove their arrows from their quivers until they are on the shooting line;*
 - *In compound team matches, athletes shall not hook their release aids on the string until they are on the shooting line and the signal for shooting has been given. Once the athlete is on the shooting line and the signal for shooting has been given, the release aid may be hooked either before or after the arrow nocked on the string. This restriction shall not apply to Para Athletes whose classification permits a mouth tab which is permanently attached to the string;*
 - *Violations of the Team Event rules shall be handled according to 15. Chapter 15- Consequences of Breaking Rules.*

13.2.3 In the Team Event Finals Rounds (alternating shooting):

- *Both teams shall start each end of their match with their athletes on the line; • The higher placed team in the Qualification Round shall decide the order of shooting of the first end. The team with the lower set points score for recurve and barebow, or lower cumulative score for compound shall shoot first the next end/set. If teams are tied, the team which started the match shall shoot first;*
- *Each team has to alternate between their members after each shot so that each member*

European Para Archery Championships 2022 / European Para Archery Cup 2022 (2nd leg)

30 JULY - 7 AUGUST, ROME (ITALY)

has shot one arrow in each phase of the rotation;

- *When the clock of the second team is started, the first athlete of that team may start shooting;*
- *This is repeated until both teams have shot four arrows or their time has expired;*
- *The team that shot first in the match shall start shooting the shoot-off and the alternation between the teams shall take place after every shot arrow.*
