For the qualification rounds, no faces will be changed after the practice arrows. Please instruct the archers to mark the arrow holes during practice.

The athletes will have double scoring from qualification round till individual bronze medal matches and the same is for team and mixed team competition: one electronic and one paper scorecard. For each target, one athlete will enter the score on the paper score sheet; another athlete will make the electronic scoring.

All the athletes on the same target must verify that the correct scores are entered.

Please instruct your athletes to fill in the scorecards correctly including total score, 10's and X's and sign the card before handing them back after each round. Double scoring is required (one on paper and one electronic) and after the match also the winner has to be marked.

Examples of correctly populated score sheets are shown at the end of this document.

### 3.7. Individual Elimination Round

For the elimination rounds, no faces will be changed after the practice arrows. So please instruct the archers to mark the arrow holes during practice. Matches will start as soon as the field is ready. We will keep to the starting time at the beginning of the session and then the competition will run as it goes. Therefore some matches could start sooner than the time indicated in the schedule. Please be aware of this and be prepared for it.

Byes are allowed. In case of a bye, archers will be allowed to shoot, but no score will be recorded or allowed to be displayed. The shooting location for byes will be indicated by the placement of the name plates on the field.
