

Archery GB Competitions – Conduct and Safeguarding

Archery GB strive to have a welcoming and friendly atmosphere at all levels of competition, and for everyone to leave having enjoyed their day's competition. We welcome encouragement and cheering in support of competing athletes, in a good sporting manner.

Archery GB Values:

- We value people for who they are and their unique contribution to archery.
- We choose to work and learn together.
- We strive for excellence across the board.
- We always act with integrity.

We are asking all individuals to please think how you are behaving at events when supporting people.

- Ask yourself what is an acceptable way to behave in a sporting environment.
- Please treat others as you would like to be treated yourself.
- When supporting people in matches please do so positively and constructively.
- Please demonstrate good sporting behaviour when supporting all athletes.
