

Dear archers,

We are looking forward to welcoming you to SAW this coming weekend. Please may we remind you of the following:

- **If you cannot now attend**, the organisers would greatly appreciate it if you could let us know asap, as we still have a few archers on the waiting list.
- The event is at Woking AC not Tolworth this year, please do not go to Tolworth (details on the Prospectus)!
- The event is split over two days with Recurves on Sat and Compound/Barebows on Sunday
- The M25 is fully closed from junctions 10 to 11 with diversions in place, please allow plenty of extra travelling time (further details on lanseo)
- Gates open at 7am with assembly at 8.15am on both competition days
- There is no practice on Friday but tents can be erected from 2pm with gates locked at 6pm
- Food alongside electronic payment is available on site, please take advantage of this as travelling off site at lunchtime may be difficult
 - Bacon sandwiches available first thing with burgers, sourced from a local butcher, available for lunch
 - Vegetarian options will also be available alongside snacks and drinks
 - Please bring you own mug for hot drinks if possible
- There will be an exhibition team match of the GBR RW vs the GBR RM at lunchtime on Sat

Kind regards,

SAW organising team
