

SWWU Leg 8 - Swansea WA 900

Competition Information

When: Saturday 4th May 2024, single session with Assembly at 11:00.

Round: WA 900 (30 arrows on an 122cm face at each of 60m, 50m and 40m for all archers), shot in ends of 6 arrows. Full face for all archers and all bosses are straw.

Where: Blandy-Jenkins Archers, Llanharan, Pontyclun, CF72 9QA. Parking is available on site for cars and minibuses but not coaches.

Cost: £6.50 per archer to cover field hire and other costs. It is up to clubs if they pay this on behalf of their archers or ask the archers to pay it themselves.

Payment link: <https://www.swansea-union.co.uk/events/7075/8096/>

Capacity: We can guarantee space for 11 (increased from 9) archers per club, with the potential of more spaces after the initial round of entries. This form is one submission per archer.

Arrows: Full carbon arrows are permitted however we ask archers shoot aluminium-carbon arrows or full aluminium's if possible. All arrows must be found on the day, if you lose an arrow please report it to a SWWU Coordinator/Judge immediately.

Awards: Results will be published on lanseo. Medals will be awarded to all novice archer medal placings and to experienced archers who have beaten another archer, providing they are not the sole archer in their category.

Lunch: We will break for lunch after the first distance. There are no good places for food nearby so please bring a packed lunch.

Questions: Any questions about entries, message your friendly SWWU coordinators (Alex Williams, Henry Barnett and Alexandra Camaly)
