## **Meeting Report**

GNAM returned to almost its normal format for 2024, except we opted to shoot Day 3 first, on the Friday, in the hope that the Double rounds would be better supported. Hopefully this worked.

95 Archers shot over the 3 days and again, this year we also invited Archers to shoot the shorter Bristol and National rounds. New for 2024 we introduced GNAM spider badges for the double rounds. We hope you liked them.

At assembly we welcomed all the GNAM first timers individually, with this year about a half of those present were shooting their first GNAM. The meeting was then formally opened by our well known Judge, Pam Tonkin. We managed to muster together an 'Arrows' bow and a borrowed a longbow arrow to shoot the first arrow of the meeting. Admittedly Pam did have a quick practice the night before and as such reached around 40 yards. This was a special event for Pam, as it will most likely be her last event judging at Lilleshall and we honoured this at presentation with a couple of gifts.

As shooting proceeded, the meeting was sedate and the Judges not necessarily rushing us to and from the targets to score.

The 'pub quiz' returned again with Saturday, an identify the cake or pudding round along with some general knowledge questions and Sunday an identify the airline logos and some general questions. The Bake Off quiz seemed to get people talking and it was noted that one particular archer was trying to compare answers along the line. At least we all know now, Scott, what a Swedish Prinsesstårta or Princess Cake was. Interestingly we were only talking about the Russian Slice (aka Topsy Cake) Friday night but he failed to spot that I had included that one!

The cake theme continued during the Saturday afternoon break and after shooting Sunday as well as complimentary drinks and biscuits, cake was also on offer. Thankyou Katy for the couple of additional trips to the supermarket to stock up!

The presentation ceremony took an hour and quarter with our Chief Executive, Ruth Hall awarding the prizes. This is Ruth's first GNAM and she did the job admirably. Ruth was in awe of the amount of silverware that we have for the GNAM and was especially taken by the silver bracer, awarded for the highest Double National Score by a lady. Ruth is very keen on supporting the societies history and especially this event. Thankyou for taking the time to come and visit us.

The opportunity to break records for rounds rarely shot was certainly feature of the meeting and a number of records were claimed. Too many to note here (or more likely I don't have a list!). A large number of Roses were also claimed. 29 in total plus a 3 Gold End Longbow award. Well done to all those who claimed!

I must take a moment to thank the volunteers who helped over the 3 days. Mark and Candy, Rob and Katy as well as David. David is not an Archer but a sports volunteer who has volunteered at many sporting events including Rugby, Orienteering and many others. He worked like a trojan and integrated well to the team. Thankyou David.

Finally Thankyou everyone for coming and your company and field crew help for 3 days.

If you have any thoughts or comments on the meeting, both good or bad please do get in contact. We want to improve on the atmosphere of the event as well as increasing attendance. Its likely that we will send out a survey to all participants, so please take the time to think about your answers and send your replies. It will help shape things moving forward.

So that brings a close to the 169th GNAM for 2024. We look forward to seeing everyone again in 2025. As the saying goes, bring a friend. Or two...!!!

Tournament Secretary.
