

## **NON/AGB CLUB'S AND MEMBERS**

Due to recent changes in membership options introduced by ArcheryGB, there are now various scenarios that may affect the validity of an archer's or shoot's insurance

Please note that this tournament is a VIRTUAL event, to be conducted at your own club or range. As such, all participating archers are covered by their club's or personal insurance for this tournament

Any archer with valid insurance - whether provided through their club (ArcheryGB-affiliated or not) or personal insurance - may participate in this tournament

Thank you for your understanding and cooperation
