## **Very Important Information**

**Venue** - As last year, Target lanes will be marked out at 2 metres, this is narrow, so please be respectful of your target colleagues and those adjacent to you when setting up any scopes. Please also setup your tents to allow walkways for those further back on the field.

This also means there will a small number of Archers moving targets between the 2 days.

**Camping** - There are a number of Archers camping. Because we are shooting on our own grounds, please ensure that campers setup close to the hedge and close to each other. The target line will extend one lane beyond that you are used to on Saturday on the left. No person may remain in a tent whilst shooting is in progress.

**Catering** - We will be serving refreshments throughout the day from our kitchen and Scott will be serving bacon rolls first thing in the morning. We will have Moores Meat and Cheese and Onion pasties to pre-order for lunch (Once the stock has been exhausted, its gone!), as well as cake, snacks and drinks. We are trying to be green and will not be using paper cups for Tea and Coffee. If you bring your own mug we will happily fill it for you. Paper cups will be charged extra. We are now also selling Marshfields Ice Cream. We do have a card machine for payments.

**Rubbish** - We ask please, that you take all your rubbish home.
