From M5

At the M5 Almondsbury interchange (J15), take the M4 towards London.

Take M4 J19 following signs for M32/A4174 (ring road) .

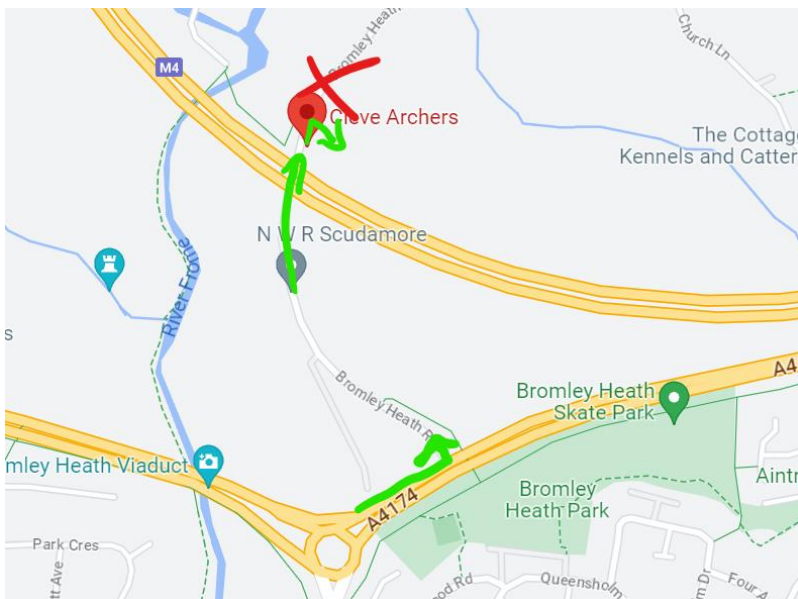

Exit the M32 at J1, taking the first exit on the roundabout onto the A4174.

Head straight through at the first set of traffic lights.

At the roundabout, take the first exit, then immediately turn left onto Old Bromley Heath Road.

Follow the road along and under the bridge. Cleve Archers is on the right hand side just before the gates in the road.

Although the road has a 40mph limit, we ask that you are respectful to our neighbours and drive slowly. There are often pedestrians, cyclists, dogs, and horses on the road.

The red cross above shows the location of the no through road barrier.
