

Exmouth Archers

World Record Status Open Field 3D Tournament

Saturday 21st and Sunday 22nd March 2026

Target List Notes

- Judges:** In charge: Tony Harris, assisted by Tara Earle, Peter Brookes, Richard Carpenter and Phil Gillbanks
- Start Time:** Assembly will be in the car park area at 10:00. After which groups will be led to their start points on the course.
- Parking:** We only have a certain amount of parking available around the course and entrants will remember that we asked about Car Sharing either from your home location or if you are able to buddy up with friends at our target course a bit further up the road and then only bring one car to the course it would be very much appreciated. Please bear in mind that there may be others still to arrive and I am sure you wouldn't want to be in the position of panicking because you were a little late and there is no parking available.
- Target Groups** The groupings currently shown on Ianseo are not your start targets, they will be changed just before the weekend, once the course layout has been completed. However it is my intention to keep groups in the same order as I have kept those Archers together who have expressed that they will car share or buddy from the Target grounds so that you can leave on the Saturday at around the same time.
- Refreshments:** Refreshments will be available throughout the day, which includes various items from the griddle, cakes snacks and drinks. An indicative menu is shown below. **To try and be greener, we will not be using polystyrene cups. Please bring a suitable mug, lodge it with the catering team and we will fill it as you come in from shooting.**
- Other details:** Please refer to the main tournament prospectus for all other information, including directions.
- Ianseo:** Any further changes, the target groups and results will be published on ianseo.net
<https://www.ianseo.net/Details.php?told=26811>
- Organiser:** Timothy Pratt, 64 Victoria Road, Exmouth, Devon EX8 1DW
