Round:	Bray 1 followed by H2Hs
Date & Times:	Saturday 4th April. Hall opens at 11am. Hall closes at 5pm.
Location:	York Sport, University of York. What 3 word: lucky.sugars.online.
Sequence and Timings:	We will be following the method 2 timing system.

Qualification Round: The York University Team Challenge aims to be a relaxed introduction to team style competitions. All archers will shoot a Bray 1 (20 yards on a 40cm face) in a double detail with 2 target faces per boss.

There will then be a short break whilst the organisers use the scores from the Bray to create teams of 3 archers each. The aim is to make teams of equal ability so that everyone has equal chance to make it through a many rounds of the head-to-heads as possible.

Team Head-to-Heads: Our head-to-heads will be shot on 40cm target faces using the usual set point system, which will be explained on the day. Each team is guaranteed at least one head-to-head match. YUTC is open to Novice archers and we want their teams to be in with a chance of winning! As such, your team will be determined by the organisers. We will do our best to create a balanced field of play.

Entry Fee (or lack there of): The University of York is running this event for FREE! Yay! Instead of an entry fee we ask that you please please please donate to our charity fundraiser:

Please Note:

- (1) Music may be played by the organisers throughout the entire event.
- (2) Cheering and similar potentially loud noises are encouraged during the shoot. However, making any sounds which, in the opinion of the judge or organiser, are made maliciously to throw an archer at full draw (e.g., using the word “click” or making similar sounds) is grounds for immediate disqualification.
- (3) Any bow style is welcome (and we will do our best to balance the teams with what we get).
- (4) If you need to borrow equipment then please let us know in advance.
