VICTOR LUDORUM	The Victor Ludorum (Recurve, Longbow & Compound) is currently an open competition for archers who have competed in the; 1440, Field, Longbow, Clout, and the 1 st day of the Championship Weekend. The awards are based on the archer's position in each competition, adjustments being made for the differing bow types only in the field round. Archers must complete all rounds.

INFORMATION

ARCHERS TENTS

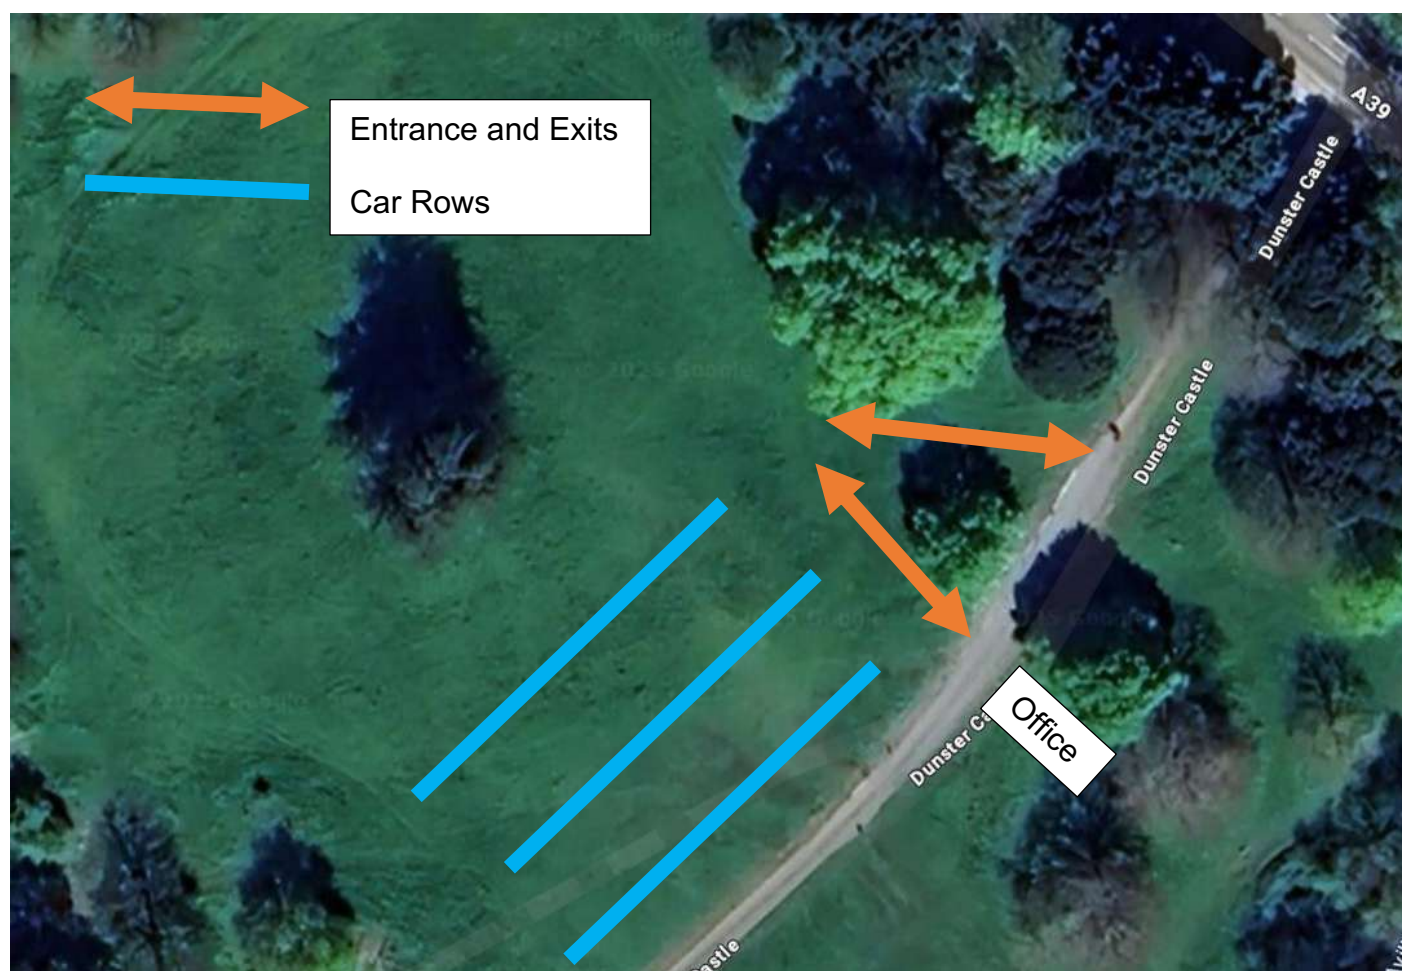

Tents may be erected the night before each event at your own risk. Tents left up for Longbow day are especially at risk from being shot! We also ask that tents wider than 7ft be placed in the back row so that archers can get to the shooting line. **Please consider your fellow archers and remember that space is very restricted in some areas.** If you leave your tent up for the duration of the week but are not shooting, then condition of doing so is that another Archer may use it. Especially on Tuesday and Friday. If you are not happy with this condition, then please take your tent down. Please also do not be offended if you are asked to move your tent if space is limited in front of it.

CHANGES

Please advise us if you make changes to your bowstyle or if I have made a mistake – dunster@gwas.org.uk or advise Myself, Helen or Denise in the Office.

CAR PARKING

Space is available on the right as you enter the castle grounds for competitors, who park at their own risk. No cars allowed in the campsite or on the shooting range. The National Trust have asked us to be wary of long dry grass and hot exhausts. They have also asked that we do not park directly under any of the trees. Please ensure when parking in the rows that you do not inadvertently park in one of the access routes. On busy days the National Trust will use the same area for overflow parking so please be considerate.

CATERING	"Team Perryman" will be providing catering and bar services each day in the Marquee. (Breakfast – Lunch - Afternoon teas).
CREAM TEAS	Cream teas will be on sale in the marquee on longbow day.
DRESS	Other than for the field and longbow shoots Archery GB dress regulations (rule 307) apply and will be enforced.
FEATHER FLAGS	If your club, county, or region have feathers, please bring them along and pop them up in the designated area. The more the merrier!
FIELD COURSE FOOD	Dunkery Bowmen will be providing food and drink all day at the field course.
GATES/ACCESS	The gates will be locked to vehicles from 8.00pm to 8.00am each day.
HEALTH & SAFETY	Archers are reminded that the Dunster site is an open field and neither GWAS nor The National Trust will be responsible for any loss or damage incurred on the grounds.
PHOTOGRAPHY	Anyone wishing to take photographs must register with the Tournament Organiser. You can do this for the week electronically at this form, using the QR Code or signing the paper copy in the office. This includes anyone using a mobile phone to take pictures. 
PRACTICE	No shooting will be allowed on the ground prior to the start of the Longbow round. Practice will not be allowed on the clout range at any time.
SPECTATORS	Spectators (which includes Archers that are not shooting that day) are welcome at any time during the week but must comply with the safety arrangements. This includes NOT passing the yellow banners when Archers are shooting. This is especially important along the Gents line. Please wait until Archers are collecting their arrows or use the alternate path along the river. Remember, Spectators are on the field at their own risk.
SPONSORSHIP	We would like to thank our sponsors Beiter and Wales Archery for their generous support which enables GWAS to keep the cost of your entries down.
TROPHIES	We regret that as most of the trophies are irreplaceable, they must be returned after the presentation. They are on permanent display at Dunster Castle. Where trophies have been taken home, please return them as soon as you can during the week in a CLEAN condition.
RESULTS	We will endeavour to upload the results that are normally posted outside the office to lanseo.net here, although we are not yet using lanseo for scoring or competition management. 

FIELD CREW

There are only a few of us field crewing. We ask please that **Grand Western Archers** spend a few minutes moving targets where our guests and others may not be able to, then line up and peg them down before disappearing off into your tent or Marquee for your lunch. It means we all get a longer break. Thankyou.

A REMINDER

Although I have been shooting at Dunster for 29 years it has been an experience learning about the bits you do not see. Without the help from a number of individuals (Judges, Work Party, Office team), all of whom are volunteers and are most likely also here on Holiday just like me, Dunster simply wouldn't be happening this year. Please be tolerant and patient of us all. We all make mistakes. It's only human and we deserve to be treated respectfully. Ice Cream helps.

In addition please remember that they act on my behalf and if they request something be done in a certain way, please gracefully accept that. They will know more about the various agreements with the contractors involved in the event, as well as the National Trust if its relevant to the grounds.

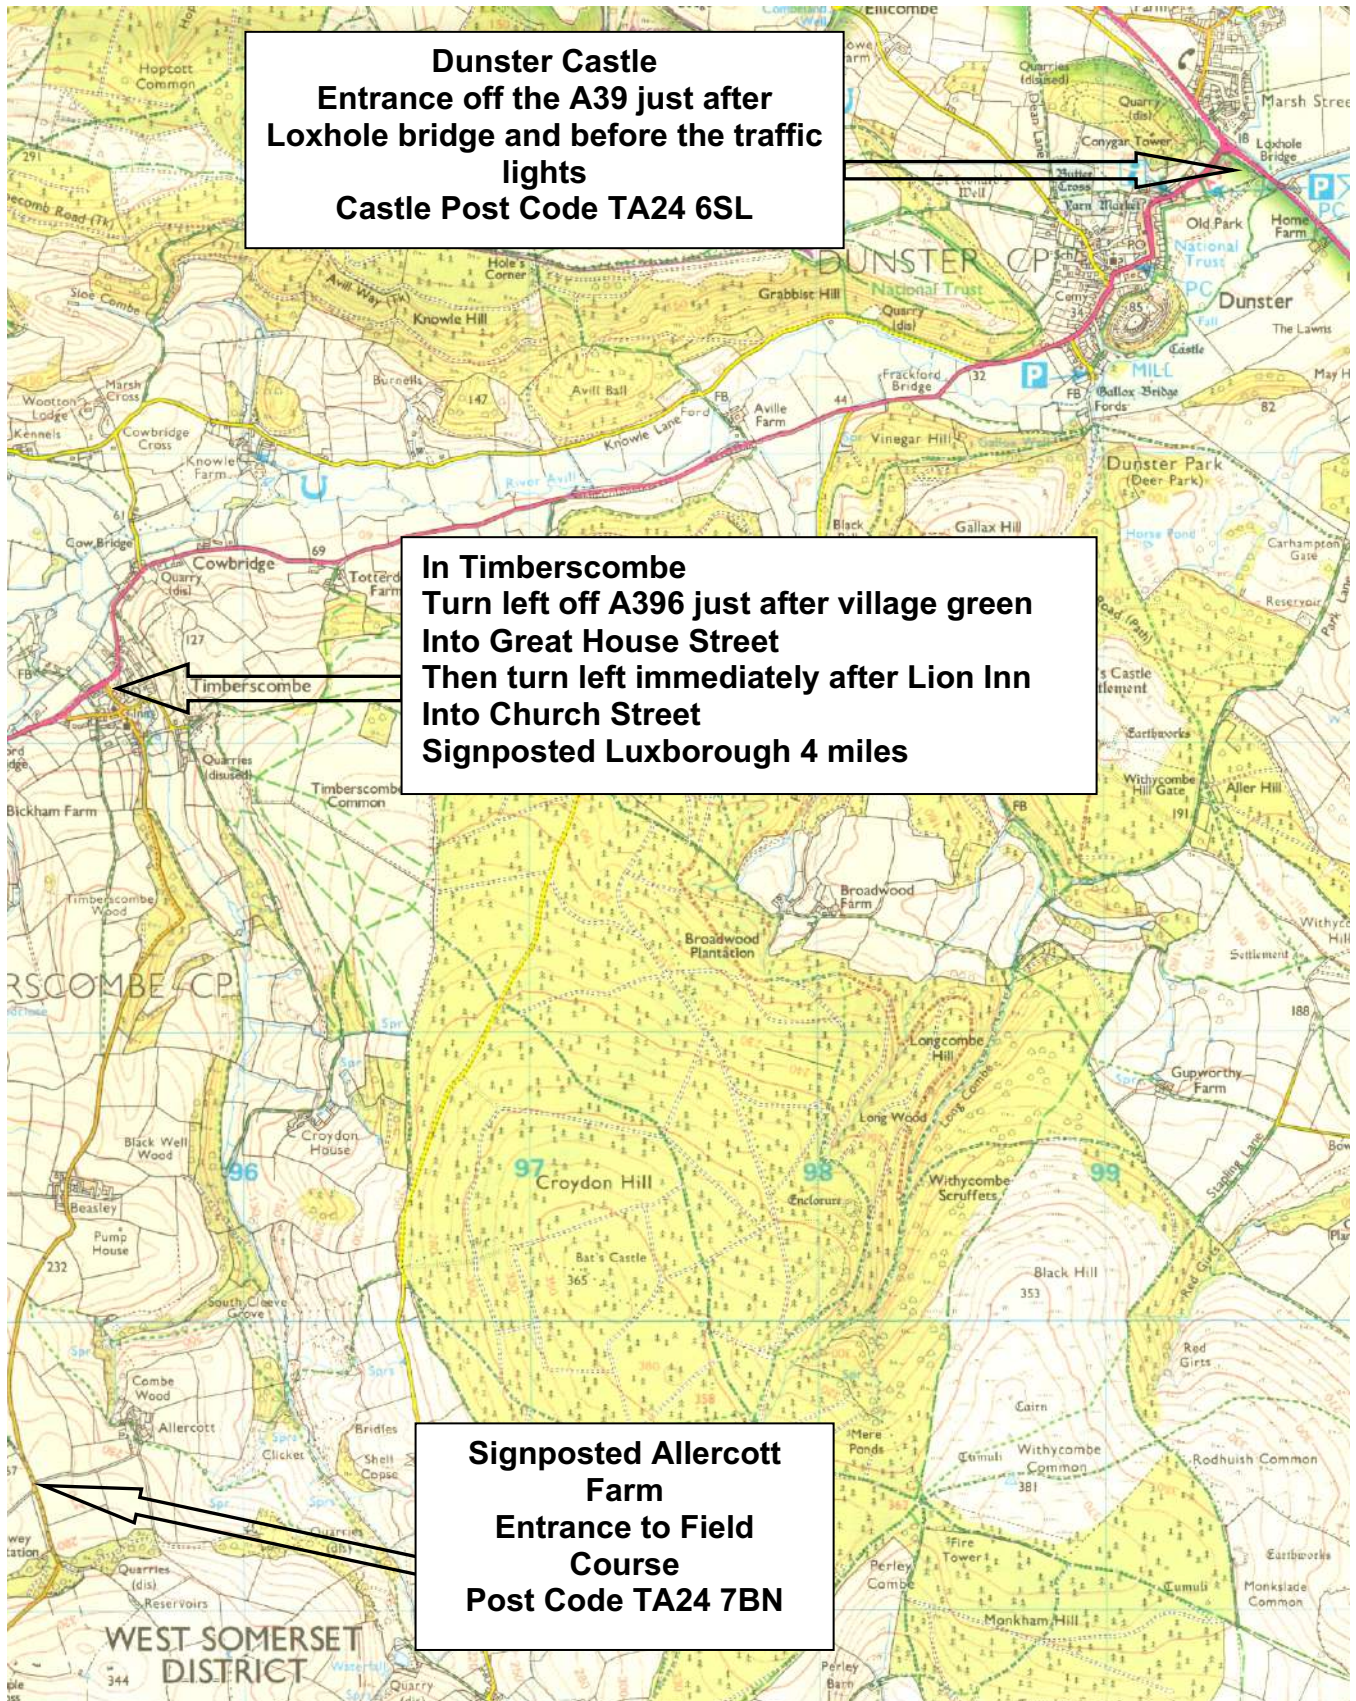

Thankyou.

Remember - Union, Trueheart and Courtesie.
