SECTION WELCOME

Welcome to Santiago

A message from the Local Organising Committee

Dear Athletes, Coaches, Team Officials and Friends,

On behalf of the Chilean Archery Federation and the Local Organising Committee, it is my great pleasure to welcome you to Santiago, Chile, for the Hyundai World Archery Para Series 2026.

We are honoured to welcome athletes, coaches and delegations from around the world. This competition represents sporting excellence, as well as the determination, inclusion, friendship and perseverance that define para archery.

For Chile, hosting this event is an opportunity to strengthen para archery, promote accessibility in sport and demonstrate our commitment to meaningful opportunities for athletes of all abilities.

I sincerely thank World Archery, our institutional partners, volunteers, officials and everyone whose dedication has made this event possible. We hope your stay in Santiago will be successful and memorable, both on and off the competition field.

Welcome to Chile, and I wish you all a wonderful competition!

César Otárola Bruce
President, Chilean Archery Federation (FECHTA)
Chairman, Local Organising Committee

Competition dates: 14-18 October 2026 | Venue: Peñalolén National Archery Training Centre | Early activities: 12-13 October

SECTION 03

Technical competition guide

Distances, target faces and shooting procedures

DIVISION	DISTANCE	TARGET FACE
Para Recurve Open - men / women	70 m	122 cm
Para Compound Open - men / women	50 m	80 cm (6-ring)
W1 - men / women	50 m	80 cm
Visually Impaired (VI1 / VI2)	30 m	80 cm

Qualification

Three practice ends of four minutes are followed immediately by a 72-arrow qualification round in AB format. No extra time will be allowed for equipment failure or the treatment of medical problems.

Eliminations & finals

Individual eliminations up to the semifinals are shot simultaneously. Para Recurve and W1 use the set system; Compound uses cumulative score. Target faces will not be replaced after practice arrows; athletes must mark arrow holes. Matches may begin as soon as the field is ready.

Doubles are conducted in the mixed-team match format; elimination teams shoot simultaneously until medal matches. In a permitted bye, athletes or teams may practice only with the Director of Shooting's authorisation and signals; no score is displayed.

Specific divisions

Para Recurve Mixed Team and W1 Mixed Team are exhibition events. Para Compound Mixed Team is an official medal event. VI2 will shoot the 72-arrow qualification round only, without eliminations or finals. Any VI2 or exhibition recognition will be announced by the Technical Delegate.

Team composition changes

Changes to team composition must be submitted no later than 15 minutes before the start of the official practice session for the respective division.

Field configuration

The main competition field is configured with 24 targets for the qualification and elimination rounds.

SECTION 03.8

Finals venue layout - 18 October

This field-of-play plan applies only to the individual medal finals on Sunday 18 October 2026.

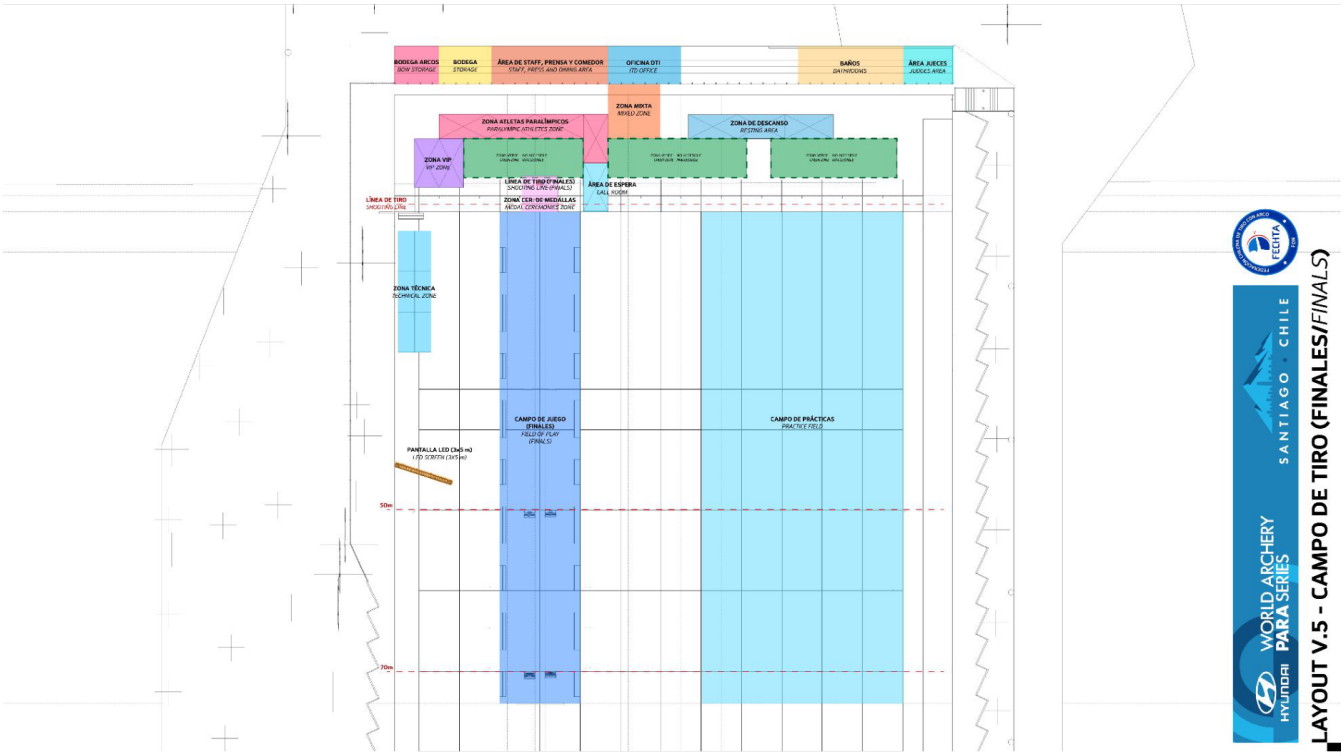

Illustration above: approved finals field-of-play layout for Sunday 18 October 2026 ONLY.
This drawing does not represent field configurations for practice, qualification or eliminations on 12-17 October.
Velodrome rooms are not marked on this plan; follow LOC guidance for directions.

SECTION 03.7-03.8

Venue services & inspection

Operational information for athletes, coaches and officials

Equipment inspection - Wednesday 14 October

TIME	DIVISIONS	LOCATION
09:30-12:00	PRW / PCM / W1W / VI2	Next to shooting line
15:00-17:30	PRM / PCW / W1M	Next to shooting line

Delegations will be called alphabetically by the Director of Shooting. Athletes must bring competition and spare equipment, valid classification cards and all assistive devices (wheelchairs, stools, restraints, release aids, tactile sights, etc.). Team managers must verify athlete name, birth date, division and class. Judges may request further checks during the event.

Equipment storage - 12 to 18 October

Storage in the archery centre is available for equipment cases only. Spotting scopes and loose accessories must be packed inside cases. Access is initially controlled by LOC staff; direct access during venue hours may be discussed at the Team Managers' Meeting. Storage rooms are locked after each day, supported by night security staff, surveillance cameras and alarm systems.

The LOC provides the storage area and reasonable security measures, but does not accept responsibility for theft, loss or damage to stored equipment.

Daily site access

The archery venue has free general parking and designated accessible parking. Coaches and team officials may use designated athlete waiting areas; separate offices or lounges are not available for delegations. The practice field remains closed during scheduled lunch breaks and official session intervals.

SECTION 04

Key rules & reminders

Summary only - the World Archery Constitution and Rules take precedence

Dress and identification

Athletes and team officials must wear their national team uniforms and appropriate sports footwear. Jeans, camouflage clothing and open-toed footwear are prohibited. Athlete name and country name or code must appear on the back of the shirt. Two clearly differentiated official team tops must be presented at equipment inspection for elimination and televised finals requirements.

Athlete numbers will be distributed on Thursday 15 October during qualification practice with scorecards. Athletes must display the number on quiver or thigh, facing the waiting line. Accredited assistants and VI spotters wear the same athlete number and must remain in authorised areas.

Assistants and para equipment

All assistants and spotters must be accredited. Any equipment used to support athlete participation must comply with World Archery Para Archery rules and be presented for inspection. Athletes who need assistance moving between waiting and shooting lines should notify judges and the Director of Shooting before the session starts.

Safety and conduct

Lost arrows must be immediately reported to the judges; advise them again when recovered. Athletes must report paper / tablet discrepancies before leaving the scoring area. No smoking or vaping is permitted within the sports complex; no smoking area is provided.

The World Archery Constitution and Rules take precedence in the event of any discrepancy.

SECTION 05

Scoring, results & communication

Electronic tablets plus signed official paper scorecards

Qualification and elimination rounds

IANSEO electronic scoring tablets will be used together with official paper scorecards. Athletes or their authorised representatives must ensure that every arrow value, total, and counts of 10s and Xs are correct on both records. Paper scorecards must be signed by the athlete and scorer before submission.

During elimination rounds, one athlete or team records values on paper while the other enters the scores into the electronic tablet. Any discrepancy must be reported immediately to a judge before leaving the scoring area. Medal finals will use the official finals scoring system without athlete-operated tablets.

Official information

All competition schedules, target assignments, results, technical documents, the Team Managers' Meeting presentation, shuttle schedules and daily meal distribution times will be published through the event page on IANSEO.

www.ianseo.net/Details.php?toId=30259

Urgent communication channel

A Team Managers' WhatsApp group will be created at the meeting on 14 October and administered by Jaime Cañas. It will be used for urgent operational announcements. The IANSEO event page remains the official source for competition information.

Always review the latest IANSEO updates before leaving the hotel or entering the field.

SECTION 06.1

Arrivals and transportation

Airport transfers are paid; official hotel shuttles are included

SERVICE	CONDITIONS

Boarding	Report to each pick-up point at least 10 minutes before departure.

Airport reception

Delegations with pre-booked airport transport will be greeted by LOC representatives in international or domestic arrivals. LOC personnel will display event signage, accompany participants to assigned vehicles and assist wheelchair users and other travellers needing mobility support.

Flight changes / cancellations

Notify César Avendaño immediately via WhatsApp (+56 9 4201 9445) if arrival or departure flights are delayed, cancelled or changed. Update WAREOS where applicable. Shuttle timetables and changes are published on IANSEO.

SECTION 06.2

Accommodation, meals & hydration

Official hotels confirmed in the invitation package

OFFICIAL HOTEL	LOCATION / MEALS
Radisson Blu - 4 star	Av. Manquehue Norte 656, Las Condes Breakfast in hotel; booked lunch at venue
Hotel Nogales Express - 3 star	Carmen Sylva 2341, Providencia Breakfast in hotel; booked lunch at venue

Lunch service (13-18 October)

Individual packed lunches will be provided only to participants who have reserved the relevant meal service through WAREOS. A dining area will be available near the archery-field entrance. Meal times will follow the daily sports programme and be published on IANSEO.

Meal tickets will be handed to each Team Manager at the Event Secretariat (indoor area) against confirmed WAREOS bookings. Team Managers distribute tickets to delegation members; a ticket must be presented when collecting lunch. Special dietary needs must be supplied through WAREOS.

Other food services

Dinners are not included and must be arranged and paid for by each delegation. There is no cafeteria, food-truck service or food retail outlet at the competition venue. No official lunch service is available on Monday 12 October.

Hydration

Drinking-water refill and hydration stations will be available. Athletes and team officials are strongly encouraged to bring their own reusable bottles to cover preferences and any limitations in individual bottled beverage stocks.

SECTION 06.3-06.4

Accessibility & medical services

Facilities developed around the accessibility programme for Santiago 2023

Accessible infrastructure

Wheelchair-accessible routes connect the access points, competition and shooting lines, athlete areas and administrative offices. The archery centre has three accessible permanent restroom areas (men, women and a dedicated accessible restroom). One additional accessible portable restroom will be installed outside the building.

Accessible parking is available via Volcán Antuco 8074. Accessible daily transport will be operated using vehicles from the Chilean Paralympic Committee (COPACHI) and private providers, according to delegation requirements.

Medical coverage

DATES	AVAILABLE ON-SITE
12-13 October	General first aid
14-18 October	Specialist physicians from Team ParaChile / COPACHI and emergency response vehicles

In case of illness or injury, notify a judge, medical staff member or LOC representative immediately. Medical transfer decisions will be made by attending personnel as appropriate.

Reference healthcare facilities

Hospital Militar de Santiago - Av. Alcalde Fernando Castillo Velasco 9100, La Reina.
CESFAM Carol Urzúa - Av. Consistorial 1960, Peñalolén.

Insurance: World Archery international insurance arrangements may apply according to the conditions of the relevant policy. For detailed cover, eligibility and claims procedures, consult World Archery directly.

SECTION 06.5-06.8

Anti-doping, safety & event services

Important procedures for all accredited participants

Doping control - Sunday 18 October

Doping control will be conducted on the individual finals day, 18 October, as requested by World Archery. The Doping Control Station is located in the adjacent Peñalolén Velodrome building, using the facilities employed for Santiago 2023. Selected athletes must present identification and accreditation and follow authorised officers' instructions.

All participants are subject to applicable World Archery anti-doping rules, including requirements related to medicines, supplements and Therapeutic Use Exemptions.

Emergency procedures

The Director of Shooting will stop shooting activities when required. Venue security and LOC staff will direct the response, with instructions communicated by the public-address system. The designated assembly area is the shooting-line zone **only when safe and specifically instructed** . Assistance will be provided for persons with reduced mobility.

Emergency procedures will be explained at the Team Managers' Meeting on 14 October. Special additional evacuation signage is not currently planned.

Secretariat / lost and found

The Event Secretariat, in the indoor archery area, operates during venue opening hours from 12 to 18 October. It is the point for administrative assistance, information, late accreditation collection and lost-and-found items.

Media and Wi-Fi

Wi-Fi is available to accredited participants at the venue; dedicated networks support officials, judges and IANSEO. An equipped press work area will be available. Media Officer: Juan Paulo Díaz - WhatsApp +56 9 6570 5712.

SECTION 07

Accreditation & venue access

Collections, identification and replacement badges

Official collection - 14 October

Accreditations for athletes, coaches, team officials and other registered participants will be distributed at the archery venue throughout the official practice day on Wednesday 14 October. Participants unable to collect then may obtain credentials later at the Event Secretariat in the indoor area.

Access on 12-13 October

Prior to receiving accreditation, athletes, coaches and officials may enter after identity verification against IANSEO / WAREOS lists. A valid passport or national identity document must be presented. Thereafter, accreditation is compulsory for access to restricted areas.

Restricted areas

Authorised personnel will check accreditation privileges at the competition field, athlete areas and other restricted zones. Assistants and spotters must be accredited and follow the same access controls.

Lost accreditation - replacement

REQUIREMENT	PROCEDURE
Authorisation	César Avendaño, LOC Administration
Location	Event Secretariat - indoor archery area
Verification	Identity check before badge reissue
Fee	USD 15 OR CLP 15,000 per replacement
Payment method	CASH ONLY - no cards or bank transfers

Contact: César Avendaño | WhatsApp +56 9 4201 9445 | administracion@fechta.cl

SECTION 07

Protocol, medals & spectators

Awards, accessible spectators and closing ceremony

Medal ceremonies

Medals are awarded in official individual, doubles and mixed-team events that satisfy applicable World Archery rules. Any VI2 and exhibition-event recognitions will be announced by the Technical Delegate. All medalists must wear official national team uniforms.

Medalists must report to the designated assembly area near the podium at least 15 minutes before their scheduled ceremony. One accredited assistant may accompany an athlete requiring support, if arranged in advance with LOC protocol staff. The ground-level awards podium is accessible for wheelchair users; no ramps are needed.

Spectators

Entry is free of charge. From 14 to 17 October, spectators may enter 30 minutes after the scheduled venue opening, allowing athletes and staff priority access. On Sunday 18 October spectator gates open at 10:00.

Designated grandstands include a limited number of wheelchair-accessible spaces, assigned on a first-come, first-served basis. On Sunday 18 October, a separate accessible viewing area beside the competition field will be reserved exclusively for accredited athletes using wheelchairs.

Closing ceremony - Sunday 18 October

The event will close with a brief address from 17:00 to 17:10, immediately after the individual medal presentations, by César Otárola Bruce, President of FECHTA and Chairman of the Local Organising Committee.

SECTION 08

Appeals and submission procedure

World Archery procedures for Team Managers and accredited officials

Jury of Appeal

The Jury of Appeal will be constituted and its members announced during the Team Managers' Meeting on 14 October. Official appeal forms will be available from the Tournament Judge Commission.

PROCEDURE	REQUIREMENTS
Notice of intent	Written notice must be submitted within five minutes of the end of the relevant round or match when the result may affect progression.
Formal written appeal	The formal appeal must be submitted in writing within 15 minutes of the end of the relevant round or match.
