3.4. Practice and Warm up

Official Practice (2,5 hours) shooting AB-CD format on Friday 16:00 – 18:30

Warm up will be organized on the competition field as it is scheduled in the attached program.

3.5. Equipment Inspection

Equipment inspection will follow the program of the official practice and will be held at the official practice field. Each team will be called (in the English alphabetical order of nations) and invited by the judges to the dedicated place for the Equipment inspection in the competition field.

- All team members (archers and officials) shall wear or bring their team uniforms.
- Spare equipment and accreditation card must also be brought for inspection.
- The start number will be given at the warm up on Saturday morning in front of archer's position on the shooting line and will not be changed during the competition.
- The start list will be published before the start of the official practice, so archers can practice on their assigned targets.
- There is no access to the competition field before or without accreditation.

The correct spelling of athlete's names will be checked during the accreditation.

3.6. Qualification Round & Information on scoring

Target assignments will be published only on boards and on internet.

30 seconds per arrow will be the time allowed for individual shooting during Qualification; therefore the time limit for 6 arrows will be 3 minutes.

Shooting in qualifications will be conducted with 3-4 archers per target in AB-CD format.

For the qualification rounds, no faces will be changed after the practice arrows. Please instruct the archers to mark the arrow holes during practice. There will be no equipment failure procedure.

The athletes will have double paper scoring in the qualification round. Electronic scorecards will be managed by crew.

All the athletes on the same target must verify that the correct scores are entered.

Please instruct your athletes to fill in properly the scorecards including total score, 10's and X's and sign the card before handing them back after each round. Double scoring is required.

3.7. Pool matches

For the pool matches, no faces will be changed after the practice arrows. So please instruct the archers to mark the arrow holes during practice. Matches will start as soon as the field is ready.

We will keep to the starting time at the beginning of the session and then the competition will run as it goes. Therefore, some matches could start sooner than the time indicated in the schedule. Please be aware of this and be prepared for it.

Byes are allowed. In case of a bye, archers will be allowed to shoot, but no score will be recorded or allowed to be displayed.

Main Tournament

At the end of the qualification round, the 12 Men Club teams and 8 Women Club teams will compete in the Main competition. Ties are broken as per WA rules. Teams are entered into groups of 4 Club teams, according to the following scheme:

Men

Group A	Group B	Group C	Group D
1st	2nd	3rd	4th
8th	7th	6th	5th
9th	10th	11th	12th
			13th

Women

Group A	Group B
1st	2nd
4th	3rd
5th	6th
8th	7th

In each group each Club team competes against the three others in the group.

In each match 2 “pool points” are allocated based on the outcome of the match: 2 points for the winner and for bye and 0 points to the loser, or 1 point each if tie.

At the end of the 3 pool matches, ties in “pool points” are broken by the set points earned during the 3 matches. If still tie a Shoot Off will decide the winner.

All matches will consist of 4 sets of 6 arrows (Set system will be used).

Main Tournament

All the teams that did not make the cut will compete in a secondary “just for fun” competition. There is nothing to win except experience.

A cumulative ranking is established, with all the teams involved, regardless of gender: Women Club teams will therefore compete among Men Club teams.

Based on that ranking, all teams are divided in “flights” of 4 teams each. The minimum flight composition is of 3 teams not less.

Each team will then compete against all other team in its flight with the same procedure of the pool matches of the main competition. Byes are allowed in case of 3 teams in a flight.

3.8. Ranking Matches

The 4 Club teams of same level will then go into a standard semifinals/finals scheme:

Match 1

Men semifinals: A1 vs D1 and B1 vs C1 for 1-4 place
A2 vs D2 and B2 vs C2 for 5-8 place
A3 vs D3 and B3 vs C3 for 9-12 place

Women semifinals: A1 vs B2 and B1 vs A2 for 1-4 place
A3 vs B4 and B3 vs A4 for 5-8 place

Match 2

Men and Women finals:

apart the level 1 Club teams, that will do their final match on a final field of play, the winners of the previous match compete for the 1st place, the loser for the 3rd place of their “level”.

3.9. Bronze and Gold Medal Matches

All Bronze and Gold medal matches will have alternate shooting and will take place one after the other with TV streaming coverage. There will be a practice area for finalists on one side of the venue.

Remember that you need an agent for the blind.

3.10. Appeal Procedure (Form attached)

An Appeal form is attached to this document (see attached after this chapter, Appendix 3)

In case of Intent to Appeal or an actual Appeal, the times indicated on the Appeal form must be considered.

The Appeal form should be given to the Chairman of the Tournament Judge Commission or to his deputy. A fee of 50 EUR must be paid to the Chairman of the Tournament Judge Commission, for the Appeal to be valid.

We would like to remind all teams that names of archers and country code are appreciated for this event, but mandatory for archers participating in major events.

4.5. Lost arrows
